

NCLL SEASON SPONSORSHIPS

GROW YOUR BUSINESS! HELP OUR KIDS! SUPPORT YOUR LOCAL LITTLE LEAGUE!

Northridge City Little League (NCLL) offers valuable, **tax-deductible** sponsorship opportunities that provide local merchants with a positive return on their investment. We currently have Outfield Banners and other on-site sponsorship opportunities at our NCLL baseball field complex. Including advertising on www.NorthridgeLL.org

The NCLL community consists of more than 650 families of children ages 4 through 16 living in the Northridge, Chatsworth, Porter Ranch, Twin Lakes, Van Nuys, and Lake Balboa areas. NCLL's pristine complex on Devonshire St is the heart of the NCLL community. During the spring season over 1,000 baseball games are played. Each week more than 4,000 people are at the NCLL complex watching baseball games, eating at our famous snack bar, and socialize together.

The NCLL website serves as the virtual hub of NCLL, providing information to everyone from team managers, coaches, parents, and players. Everyone frequently visits the site, many on a daily basis, to determine practice schedules, game times, game scores, division standings and current events happening at NCLL.

Whether you own a restaurant, retail outlet, kid entertainment venue or offer professional services, sponsoring NCLL is a great way to reach and attract a desirable demographic of families.
